

Duncan R. Munro
Biology

2009 Distinguished Advising Award

2005 Distinguished Teaching Award

Duncan R. Munro received his H.N.C. from the Paisley College of Technology and both his M.S. and Ph.D. from the University of Michigan. Some of Dr. Munro's research interests include Gastric physiology: acid barriers, role of the ECL cell, control of histidine decarboxylase rate within the ECL cell/control of H secretion in isolated, separated parietal cells. Dr. Muro is now retired and holds emeritus status with the College.
