**COMPLETE THE ONLINE FERPA TRAINING AND QUIZ (DUE: AUG 31)**
The Family Educational Rights and Privacy Act of 1974 (FERPA), as amended, is a federal law that protects the privacy of student education records. The Act applies to all institutions that are the recipients of federal aid administered by the Secretary of Education. Under this Act, students have specific, protected rights regarding the release of such records. FERPA requires that institutions adhere strictly to these guidelines. It is imperative that faculty and staff have a working knowledge of FERPA guidelines before releasing educational records. **To access the online FERPA quiz, log in to MyCharleston (https://my.cofc.edu/), click on the Home tab, and look for the FERPA Quiz channel.** Before taking the quiz, please review the FERPA Overview and Quick Tips documents. When you click the quiz link you will be prompted to sign in to the FERPA Quiz. **Use your COUGARS login and password to log in.** This quiz takes approximately 5-10 minutes to complete. You may take the quiz more than once. A score of 10 or better is considered passing. Additional information and forms regarding FERPA are available on the Office of the Registrar’s website: http://registrar.cofc.edu/ferpa/index.php.

**COMPLETE THE ONLINE DISCRIMINATION & HARASSMENT PREVENTION TRAINING (DUE: AUG 31)**
This mandatory training program will provide you with crucial information about federal laws, state laws, and our obligations as College employees to help us avoid and report potentially unlawfully conduct. This session will discuss your legal obligations to ensure compliance with laws prohibiting sexual harassment/assault and other forms of discrimination and harassment, including retaliation. In addition, the training will inform you of your rights and the resources that are available to you if you experience discrimination or harassment on campus. **To start your training, go to http://dhpt.faculty.legalaffairs.cofc.edu/.
