**2014 Distinguished Service Award**

The Distinguished Service Award recognizes the outstanding contribution of a colleague who, beyond his or her required duties, has a sustained career of serving the college community in an outstanding and distinguished manner. Lynn Cherry is one such colleague who has gone above and beyond the requirements laid forth in this award.

It can be hard to keep track of all the positions Lynn Cherry has held over the past few years: Associate Dean of Undergraduate Studies, Director of Undergraduate Academic Services, Faculty Marshal, Chair of the Academic Planning, Assessment, and Curriculum committees, Associate Chair of Communication, and chair of the Action Retention Team.

On top of all of that, Lynn has acted as a faculty advisor for the debate team and chair of the College Community Coalition. Lynn's dedication to the Charleston community seems unlimited at times, and our campus would not be the same without Lynn's service. As noted in her nomination letter: "Everywhere I look on campus, I can see the legacy of Lynn Cherry's influence."

For all of these reasons, we are pleased to recognize Lynn for her many contributions with the 2014 Distinguished Service Award.
